Question 1

Do you agree with our proposal to introduce a new Code Provision (CP) under the Corporate Governance Code (CG Code) requiring issuers without an independent board chair to designate one independent non-executive director (INED) as a Lead INED to enhance engagement with investors and shareholders?

Yes

Please provide reasons for your views.

It will enhance corporate transparency and shareholder engagement. But it should be noted that (1) the company's investor relations officer should be the key person to represent company in meeting investors, (2) all INEDs, not only the Lead INED, can engage with investors and be able to share their views with investors, in a way similar to how investor engagement is not only a responsibility of the Chairman/CEO, but also other EDs/executive team members' responsibility.

Question 2(a)

Regarding continuous professional development for directors, do you agree with our proposal to make continuous professional development mandatory for all existing directors, without specifying a minimum number of training hours?

Yes

Please provide reasons for your views.

INEDs should have more training to fulfil their jobs.

Question 2(b)

Regarding continuous professional development for directors, do you agree with our proposal to require First-time Directors to complete a minimum of 24 hours of training within 18 months following their appointment?

Yes

Please provide reasons for your views.

First time directors need training to understand their fiduciary duties.

Question 2(c)

Regarding continuous professional development for directors, do you agree with our proposal to define “First-time Directors” to mean directors who (i) are appointed as a director of an issuer listed on the Exchange for the first time; or (ii) have not served as a director of an issuer listed on the Exchange for a period of three years or more prior to their appointment?

Yes

Please provide reasons for your views.

Question 2(d)

Regarding continuous professional development for directors, do you agree with our proposal to specify the specific topics that must be covered under the continuous professional development requirement?

Yes

Please provide reasons for your views.

Question 3

Do you agree with the proposed consequential changes to Principle C.1 and CP C.1.1 of the CG Code?

Yes

Please provide reasons for your views.

Question 4

Do you agree with our proposal to upgrade the current Recommended Best Practice (RBP) in the CG Code to a CP requiring issuers to conduct regular board performance reviews at least every two years and make disclosure as set out in CP B.1.4?

Yes

Please provide reasons for your views.

Such issues are often asked by investors. This will help enhance transparency.

Question 5

Do you agree with our proposal to introduce a new CP requiring issuers to maintain a board skills matrix and make disclosure set out in CP B.1.5?

Yes

Please give reasons for your views.

Such issues are often asked by investors. This will help uphold quality of the board.

Question 6(a)

In relation to our proposal to introduce a “hard cap” of six listed issuer directorships that INEDs may hold, do you agree with the hard cap to ensure that INEDs are able to devote sufficient time to carry out the work of the listed issuers?

Yes

Please provide reasons for your views.

Agree that INEDs should devote sufficient amount of time to carry out the work, and it is difficult to do so if one is overboarded.

Question 6(b)

In relation to our proposal to introduce a “hard cap” of six listed issuer directorships that INEDs may hold, do you agree with the proposed three-year transition period to implement the hard cap?

Yes

Please provide reasons for your views.

Question 7

Yes

Please provide reasons for your views.

Question 8(a)

In relation to our proposal to introduce a “hard cap” of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree with the proposed hard cap to strengthen board independence?

No

Please give reasons for your views.

We believe the number of years of tenure does not have a direct relationship of INED independence. Given the difficulty in looking for good and qualified INEDs, the 9 year cap should be lifted.

Question 8(b)

In relation to our proposal to introduce a “hard cap” of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree that a person can be re-considered as an INED of the same issuer after a two-year cooling-off period?

Yes

Please provide reasons for your views.

If the purpose of the rule is to have hard cap for long-tenure INEDs, it is questionable whether such persons can be re-considered as INEDs of the same issuer after a two-year cooling-off period.

Question 8(c)

In relation to our proposal to introduce a “hard cap” of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree with the proposed three-year transition period in respect of the implementation of the hard cap?

Yes

Please provide reasons for your views.

There is an increasing demand on gender diversity disclosure by investors.

It will bring better corporate governance. But to make it less onerous for small listed companies, the requirement to conduct reviews may be lessened to every two years instead of annually.

Question 17

Do you agree with our proposal to introduce a new MDR requiring specific disclosure of the issuer's policy on payment of dividends and the board's dividend decisions during the reporting period?

Yes

Please provide reasons for your views.

Although some view there should be leeway for issuers on whether to disclose dividend policy, most would agree that (1) dividend policy is a prime concern for investors, (2) it plays a key role in making investment decisions, and (3) such disclosure will increase transparency.
